Golf Tourney to benefit Allied's Enfield Stars

The 5th annual Golf Tournament to benefit Allied's Enfield Stars will be held on September 14 at Airways Golf Course in West Suffield. The 18-hole scramble begins with a 9 AM shotgun start. The $80 entry fee includes golf carts, lunch, beverages and prizes.

Corky's Auto Parts and Spring Street Service Center, both in Windsor Locks, are again sponsoring this tournament. All proceeds will benefit sports training programs for over 110 developmentally disabled athletes from East Windsor, Enfield, Manchester, Somers, South Windsor, Stafford, Suffield, Windsor Locks and the surrounding towns who compete in Special Olympics competitions throughout the state.

Registration forms and information for corporate sponsorships are available at Corky's Auto Parts and Spring Street Service Center. For additional information call 860-627-7495.
